Information for Parents

Parents are welcome to visit their child during Field Day activities outside. Please note that our building is still closed, and parents will not be allowed to enter the building.

Due to limited parking, visitors should park at the Berlin Little League Ball Field and walk to BES.

Parents and visitors will be required to sign in at a table set up outside at the front entrance and receive a visitor badge. Please bring a valid ID.

Please make sure students are dressed appropriately for the weather and sunscreen is applied at home. Teachers and staff are not able to apply sunscreen. It is recommended that students bring a water bottle and hat or visor.
