

Title I School Parent & Family Engagement Plan 2022-2023

Our goal is to build and develop a strong partnership between parents/guardians and Buckingham Elementary School. In order to accomplish this goal, The Parent Engagement team will meet and discuss our goals for the 2022-2023 school year. These goals will assist our students as they strive toward success in their educational journey.

We are committed to working together to provide the best education for all children at Buckingham Elementary School. As children enroll at school, we collaborate with Headstart and other preschool programs to create a smooth transition. Parents and families play an essential role in their child's education, and we value your input. The following goals will help us work together to meet the needs of our students and increase their achievement.

I. Parental Input

Provide parents with the opportunity to have input in the Parent and Family Engagement Plan, the compact, and the budget.

- The Title I Parent Advisory Committee will meet in June and January of this year to develop, revise and improve the parent engagement plan, the parent-school compact, the budget, and the implementation and planning of all parent engagement activities.
- Title I Annual Review Meetings are open to all parents and will be held in October and February at 11:30 AM, 2:30 PM, and 5:30 PM to inform parents of the school's role and requirements in implementing Title I, and the right of parents to be involved.
- School Improvement Advisory Committee meets five times a year in September, October, November, February, and May. Parents are selected and invited to participate.
- Provide parents with a copy of the plan via the Student Handbook and school website.
- Provide opportunities for parents to give input and suggestions through the use of evaluations, surveys, email, and at annual meetings.
- Develop a Parent Resource Center for families to create a supportive space, both in person and online through a social media group.
